MISSION STATEMENT:

To assist the frail elderly to live as independently as possible in the community by providing case management services to assess needs, acquire and coordinate necessary community services, and provide follow-up monitoring.

AGENCY DESCRIPTION:

Project LIVELY (Life, Interest, Vigor, Entering Later Years) is one of many community programs provided by the Lawrence-Douglas County Health Department. Project LIVELY provides care management services to Douglas County residents age 60 and over with multiple health, social, financial and/or housing needs who are unable to coordinate services on their own behalf. Clients served represent a variety of racial, socioeconomic, environmental, age and health issues.
