Current LMH Health Inpatients Positive for COVID-19: **1**

With recently relaxed testing protocols, anyone currently experiencing symptoms related to COVID-19 is encouraged to contact his or her primary care physician. Always call first before showing up at a provider. Anyone without a primary-care provider can call the Lawrence-Douglas County Public Health Coronavirus hotline, 785-856-4343, where nurses are available to provide initial screening and if needed, directions on how to get tested.

“We have to be very serious about [practicing social-distancing guidelines](#). Those guidelines are very important,” said Dr. Thomas Marcellino, [Douglas County’s Local Health Officer](#). “The virus will be with us in the coming months and into the foreseeable future until we can get some type of vaccine that works.”
