Current LMH Health Inpatients Positive for COVID-19: **0**

- As part of the disease investigation conducted of a positive case we were notified about on Wednesday, the patient indicated he attended a May 31 protest in downtown Lawrence. This is the second Douglas County resident who tested positive after attending the protest. As in [our message last week](#), we ask anyone who attended the protest to self-monitor for COVID-19 symptoms and isolate if they become sick as well as call their healthcare provider for next steps.
