- Beginning today, the Smart & Safe Community Scorecard for reopening Douglas County has a few changes that better reflect the pandemic's current situation. [Read more](#) -- [Scorecard](#)
- The new cases that we report each weekday are the ones we report to you as we know about them — when the COVID test result is completed and we are informed by the KDHE that the person is positive. The 14-day moving average graph shows when the COVID test was performed on each positive case, which is a standard measurement.
