WALKING OR BIKING TO SCHOOL SINCE 2014

WHAT'S NEXT?

Almost two-thirds of Lawrence parents say their students want to walk or bike to school, yet less than 20 percent regularly do. Safe Routes partners are working to improve the suggested routes by filling sidewalk gaps and adding other traffic calming improvements.

Parents and teachers can help their students stay active by encouraging them to walk or bike to school, especially on designated days! In 2019, the dates are:

- Bike to School Day: **May 9, 2019**
- Walk to School Day: **October 2, 2019**

When there are safe and accessible ways for everyone to actively get to school and everyday destinations, we can all be **Healthier Together!**
